Criminal Calendar Finished.

With the nolle prosequi of the indictment for gross cheat against Kim Mun San, a former lawyer's interpreter, after a mistrial, Judge Parsons brought to a close Friday morning the criminal calendar.

The jury in the Kim Mun San case remained out all Thursday night and reported Friday morning a disagreement, whereupon they were discharged. CHRISTMAS ENTERTAINMENTS.

Sunday Schools and Churches Will Celebrate With Exercises.

Yuletide is the season most closely associated with children's celebrations of the anniversary of the birth of Christ, and as Christmas day will fall upon Sunday, nearly all of the churches and Sunday schools of the Christian faith will hold their exercises during the week preceding. The 25th day of December is often observed as a high church festival known as the Feast of Nativity. The season of Christmas extends from Christmas eve (Dec. 24th) to Epiphany (Jan. 6th) and is variously known as Yule or Christmastide.

The First Foreign Sunday School, of which Mrs. W. S. Terry is superintendent, have an elaborate program in preparation which it is expected will surpass all previous occasions. The exercises will be held in the church and Sunday school room Friday evening at 7 o'clock. The principal feature of the entertainment will be the reading of the "Messiah" and singing of one or two of the solos of the oratorio. There will be recitations, choruses by a number of the scholars, and, besides a Christmas tree and the usual remembrances to the children, there is planned a surprise which Mrs. Terry is not ready to make known. The friends of the school are invited.

The Protestant Portuguese Church will hold their Christmas celebration on Christmas morning, Sunday, at 11 o'clock. The program is in charge of Rev. E. G. Silva, pastor of the church. There will be two Christmas trees, one for the members of the Sunday school and the other bearing gifts for the poor, who at this time should be especially remembered. The Sunday school scholars will take part in the exercises, and there will be songs and recitations by the various classes. Friends and parents of children are cordially invited to attend.

At one o'clock Sunday afternoon, the Japanese Christian Church, of which Dr. U. Yajima is pastor, will hold their Christmas exercises, within the church. An interesting program has been prepared, which will be partly in Japanese and partly in English. A drill of juvenile soldiers will take place and a mimic battle ensue between the miniature army and the evil spirits. The Japanese Waiakae school will also take part. The public is cordially invited.

Mrs. J. T. Walsh, in charge of the Chinese Mission and Kindergarten has been unable to prepare the usual excellent entertainment, which she had planned. This has been a sore disappointment to her and to her Chinese scholars. However she has outlined a simple program for Thursday evening in which the little tots can take part, and to which only their parents are invited.

The Christmas exercises of the Hilo Church were held last Sunday morning, when classes from the Hilo Boarding School, Waiakae, Puno, Haakoo and the Bible classes took part. Next Sunday morning at 10 o'clock there will be distributed Christmas presents to the various classes. Rev. S. L. Desha acknowledges the receipt of a gift of \$40 for this purpose received from Governor Carter, Senators McCandless, Bishop and Dowest of Honolulu.

Springer is Retained.

Miss Kate Kelly, the lady stenographer appointed by Judge Parsons at the urgent request of Governor Carter and Secretary Atkinson, has changed her mind and Malcolm Springer the present official stenographer of the Fourth Circuit Court will be retained. Instead she will be appointed to the position of stenographer to the Supreme Court. The reasons for the change are many, aside from avoiding the discharge of a satisfactory and competent official which Mr. Springer has been. The only fault found with the latter is that he is not a member of the Young Men's Republican Club. The flood of protests which followed the announcement of Miss Kelly's appointment to the Hilo position is regarded as one of the strong factors in effecting her transfer to the position with the Supreme Court.
